

# HAIDA HOUSE HAPPENINGS

Article and photos submitted by Haida House at Tll.aal

The Xaayda Gud Ad Is Naay conference room at the Haida House has been host to many on-island meetings, retreats, and functions over the years. It also brings large groups of off-islanders for conferences and events being that Haida Gwaii has so much to offer in terms of culture, science, wellness, you name it.

The large windows filtering in natural light, offering panoramic views of the lush surroundings, creates an inspiring atmosphere. A serene setting guaranteed to generate creative thoughts, offer the perfect backdrop for meditative moments, and is a quiet, soothing, calming space to retreat.

This beautiful, flexible space can accommodate up to 35 people seated and is spacious enough to use for practising yoga or hosting a master-class and workshop. Being centrally located, it is the ideal place to gather individuals from either end of the island and provides an opportunity for a mini, on-island getaway for your attendees if they desire to stay in the lodge or longhouse

While the conference room is available year-round, the best time to book the space is in the off-season, over the late fall to early spring months. During this time, the guest-free lodge has plenty of areas available for breakout sessions or conference amenities. Use the private bar room to do the critical thinking; escape to the riverbanks or orchard for a fun teambuilding exercise; head to the back courtyard for a stretch in the afternoon sun; turn two of the lodge rooms into massage therapy treatment spaces for your attendees, like other retreats have done in the past.

No need to fret about food either as we can accommodate buffet-style meals, grazing tables for snacking, and all the coffee and tea services necessary to keep your audiences alert and engaged. We are open for bookings now. Contact the team at the Haida House via email: [info@haidahouse.com](mailto:info@haidahouse.com) or phone the local number 250.557.4600 to host your next event in our Xaayda Gud Ad Is Naay conference room.
